

**Dear Nation Prayer Representative,**

As an integral part of your participation in the ASK of Him 2022 prayer campaign,

We humbly ask that you or your team provide us with a brief account of *when* and *how* the word of God was first introduced to your nation, and of some of the impact it had.

Our hope is that this account can be used as a *testimony* to others of the impact of the word of God in your nation.

This submitted account should be a verifiable *summary*, no more than 2 pages long. For any supporting sources, use as many additional pages as you need.

STEPS. Please:

- 1. FIND or recall** an account or accounts of how the word of God was first presented in your nation, and any immediate or lasting effects of its impact.
- 2. WRITE**, in your own words, a *brief summary* of this account.
- 3. CITE** any sources you may be able to provide, so that others too may enjoy the records of the truth of this special, significant testimony.
- 4. CHECK** your summary for errors (spelling, grammar, etc) before you send it.
- 5. EMAIL** it as soon as possible to your designated Cluster Nation Ambassador once complete.
